

TREADS ON THE TUNDRA
FAIRBANKS CHAPTER HCCA

Our June Meeting will be held Thursday the 21st., at the home of Joe and Carolyn Lenear. See attached map. Be sure to attend this meeting for your final information on Festival 84. We are participating in Festival 84's Transportation week to be held June 25 - 30. Our days of participation will be Thursday and Friday, June 28th and 29th. Hours will be 6:00 P.M. until 10:00 P.M. Transportation Week has developed into quite an event so lets shine with the old cars.

Also this will be our last meeting before our 4th of July trip to Circle Hot Springs. If anyone has decided to go be sure and let us know so arrangements can be made. For those of you who did not go last year you missed a good trip. So plan to load up and come enjoy Central and Circle Hot Springs.

Our run to Nenana for Nenana Daze was a big success. There were 7 cars at Gold Hill by 10:00 A.M. We were cruising about 30 miles per hour when a maroon streak shot by only to be parked along the side of the road with a Video Camera. The Hottrums had arrived. We were received with much enthusiasm in Nenana and have a standing invitation to return. Everyone had a real good time. NO FIGHTS. Joe got a little HOT UNDER THE HOOD, but we got him cooled down for the return trip. We look forward to more cars and greater participation next year.

We have a wedding to attend, Shelly Talvi and Bob Schruf, on June 23, 1984, at 6:15 P.M. at the Immaculate Conception Church. They have donated \$100.00 to our club to transport the wedding party to the reception. Clain they loved your idea of the mother-in-law riding in the hup mobile. The club participants are invited to the reception. They would like a minimum of 6 cars, but a larger turnout would be appreciated.

There are still some PAST DUE "DUES". Lets get paid up and enjoy all of the club benefits.

Again our next meeting June 25, 1984 at the home of Joe and Carolyn Lenear. For those of you wanting to go as a group be at Fairbanks TBA no later than 6:15 P.M.
