TREADS ON THE TUNDRA

The warm, balmy April weather caresses all our loves (4 wheel type, of course), and it is great to report that we have GOOD ACTIVITIES already planned! For those who made it to the fine dinner last month at the NORTH COUNTRY INN, you know we all enjoyed a sing-along around the piano-bar, with music by Stacey, Larry, and guess who on the blow pipe? Stacey said he finally figured out that when George turned that thing over it changed the key--he said he was glad he didn't have to flip over the piano to keep up!

Our next meeting will be Thursday April 17th, at the home of Joyce and Bill Chase. There will be antique pictures, of antique things, for antique members. Meeting starts at 7:30 sharp--if you get lost easily in the wilds of North Pole, look at the map below.

As to activities, at last month's meeting, we planned a progressive dinner. Ed Christiansen and Winona McBirney are chairing the thing. What really makes it a gala affair, is that after dinner, Gene Yurkovich is putting on a ralley! I don't know any more of the details yet, but it promises to be a wing-dang-do, and Henry says he wants to go!!! So reserve Sunday, May 18th--we plan to get started at 11 AM, so there will be enough time for it all (remember, some ralleyers end up getting towed home, and it does take time--but saves gas)! We will get the details at next meeting, and in the next newsletter.

My apologies to a few people who didn't get a newsletter last month--we thought the computer list of members was 100 %--so it printed the addresses--lo...it was not 100 %--I trust we have the matter corrected now. I am very sorry
Lets blame the dumb computer.

Dan Gullickson will be in Seattle May 2-3-4-5, and he plans to return with his antique Dodge. He is offering to bring up a car trailer if anyone would like one--then he can use it enroute. If you want to work on this with Dan, call him: 479-3270 (home) 356-5308 (work--oh ha).

Don't forget to pay your dues to Ruth--SOON (me too).

Cheers,
