August 14, 1986

TREADS ON THE TUNDRA

It smells like fall in the air, and our next meeting is due Thursday, August 21, 1986. Let's meet at 7:30 at my home this time--that's 2256 Jack Street, in Aurora Subdivision. (If you're lucky, you may see Henry in his formal black suit!). Our program will be presented by member Bernie Saupe: What's in the new gasolines, and what effect they might have on your antique engine. Bernie says he will pull together what info he can find, and be ready to field questions. He graciously accepted my request, and volunteered Jerry Krier to assist!!

I hear Ruth has the paperwork on its way for our formal affiliation with the AACCA. Good deal, Ruth--lets see where we head now! Of course, those who want to remain with the HCCA can do so also.

The picnic at the Yurkovich "cabin" was a great success--60 plus there--good fun and food, and a tish of the old rain. Then the Parade. Alas, you know the story--I did write the Golden Days Committee and the Editor, so they would all understand our absence. Perhaps next year they will better understand and allow us to lead as in the past. Vern did engineer a fine picnic after the parade with the Anchorage gang--and oh ho, they outnumbered us. It was a nice chance to meet them. If we could ever get Robbie to bring up his show on the 1800 mile road race he was in from Laos to Singapore driving a 1936 Lagonda, that would be a great meeting!!!

Anyone for another progressive eat out?? Think on it. We also have a request to LEAD the parade Labor Day, and carry Marshall Paul Gavora, with all the cars we can get out. Be thinking on that too--we'll discuss it the 21st.

See you at my home the 21st, 7:30 ---

Chug, chug. chug,

CPJ
