## TREADS ON THE TUNDRA

Summer's here and time to enjoy our cars. What better occasion for this than a progressive dinner? Well, this coming Sunday, the Club will have a progressive dinner starting at 1pm at the Jeglum's home for hors d'oeuvres. Everyone is welcome, but please call Ruth Hill at 452 4510 to help us get an accurate count of the numbers coming. Other courses will be as follows, salad at the Saupe's home, main course at the Hills and desserts at the Smiths.

We'll have our monthly meeting while at the Hills. As usual, we have to discuss our possible participation in the Golden Days Parade. We have news on that front. Also, Ruth has obtained samples of the proposed new Club jackets for us to see. July 4th will soon be upon us, and, as for the last several years, both Central and North Pole would like to see us. We had a good attendance at North Pole last year, but nobody has been to Central (to my knowledge) for some years. Its a pity that the journey is so hard on the cars.

I had a call from a Fairbanks auto dealer called Tyler Cook who is interested to buy one or more antique cars from us if we have anything for sale. His number is 479 2871 for anyone interested.

Lets have a good line-up of cars outside the Jeglums home on the 25th.
