MONDEROSA RUN

Arctic Wheels invites the VLNACCA to their annual Monderosa Run. The fun begins at the Sears parking lot at 10am, Saturday September 12th, and then continues as we all view the views and play car games along the way to this side of Nenana. We'll stop at the Monderosa for a no host lunch and then scoot on back to the fair city of Fairbanks together.

EIELSON HOMECOMING

The traditional last event of the VLNACCA will be Saturday, Sept. 26 at Eielson H.S. For those two of you coming up from the Salcha area, meet at the Eielson H.S. at about 10:30 am. For those coming from Fairbanks/North Pole area, meet at the Super Carr's Safeway parking lot at 10:00 am to travel to the H.S. together. We'll then parade around Eielson (in the snow?!?)

CHUCKLE / CHUCKLE

David's new parrot had a bad attitude and terrible language. The bird spoke expletives and was very rude. David tried to change the bird's attitude to no avail. One day he got so upset, he threw the bird in the freezer. He heard the bird squawking, kicking and screaming and then it got real QUIET. He was afraid he hurt the bird and opened the door. Out popped the bird who then apologized profusely for his bad language and manners. David was astounded at the change of attitude but before he could ask what happened, the bird questioned "May I ask what the chicken did?"
