

PUDDIE JUMPER

June 2000's Meeting

The President's Corner

We will be returning to the Sunset Strip for this month's meeting on Thursday evening June 8th. They will again allow us to order from the lunch or dinner menu's. So see you there or be square.

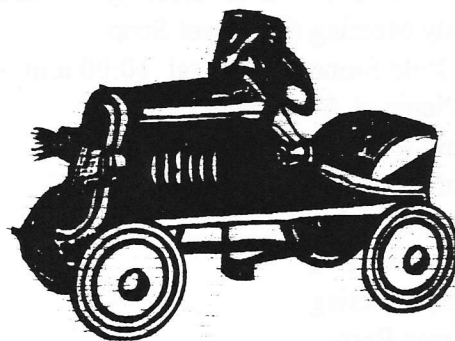

6:30 pm gathering;
7:00 pm dinner: by
8:00 pm the meeting.

We have lots of old business to go over and new business to plan. Looks like a full but fun summer ahead! (if summer ever gets here that is)

Some of the things on

the agenda are the Wednesday night run arounds beginning Wed. June 7th -- just before the meeting night. We'll meet at Alaskaland at 6:30 to begin the tour. Come on out!!

We'll also have an update on the Anch/FBKS joint meet postponed to August in Wasilla -- come hear all

the details

And don't forget the June 10th North Pole Summer Festival with a parade beginning at 10:00 am -- do we want to participate as a group?

And they'll be more, so don't miss out

It was a pleasant day, and on a good road the Model T Ford bowled merrily along. Suddenly it gave a wheezy cough and stopped dead. Investigation showed that the engine had dropped out a dozen miles back. The little Ford had run 12 miles on its reputation.
