Your 2011 VLNAACF Raffle Car

Submitted by John McCarthy

Your 2011 VLNAACF raffle car committee looked at several cars and trucks in an attempt to find a vehicle that the club could purchase that would make a decent raffle car. Our criteria in car selection was to find a vehicle that appeals to large numbers of people, needs minimal work, was reasonably priced and is road-worthy. We looked at several candidates in the right price range, some worthy of consideration, and some that had missed their date with the car crusher.

At the November membership meeting, the raffle car committee announced that they had made a selection. A vote was taken of the members present and it was approved to purchase a 1969 custom Volkswagen Bug.

The Bug sports a pink and white paint scheme, has a custom dual carb engine, new chrome running boards and bumpers, aluminum wheels and nice radial tires. The body is straight and the paint has minimal road rash. The interior is plain VW Bug, but clean and serviceable. The car has a classic 1957 body mounted on a more modern 1969 platform.

As the chairperson of the committee, I would like to thank my committee members Will Chase, Blue Hinchsliff, and Robbie Casey for all their hard work and time in locating and selecting this car. I would also like to thank all the club members that submitted leads and comments on available vehicles

Christmas Party At The Westmark

Although the Christmas party is at the Westmark, it will be in a different location within the building. Instead of the Ballroom, it will be in Northern Latitudes. If you park in the front parking area (10th Avenue), enter the building through the main entrance, bear left and there you are! If you park in the parking area entered from Noble Street, enter the building through the Red Lantern entrance, bear left past the bar, bear right toward the main lobby, look right and there you are! If you have not received your dinner reservation form by November 26, call 452-5234 or email mcbug@gci.net

Presidents Headlights

“Happy Holidays!”

Here is wishing the very best of the season to every reader and Vernon L Nash Antique Auto Club member! May the holidays be good for you and good for your hobby cars.

We have a raffle car. The committee selected a hot-rod VW that should attract a lot of attention. We should have tickets available soon, so that we can have “stocking stuffers” and for gifts to those car friends “who have everything”.

We also have started planning for next year. Most important to that planning effort is for you to return the survey that you received with your dues invoice so that they can be tabulated and the preferences and suggested used in planning events for next year. We approved the dates for the Carlson Center Show and the Joint Meet at the November membership meeting.

Carlson Center Show is Memorial Day Weekend – Saturday, May 29th and Sunday, May 29th

The Joint Meet will be in Fairbanks at the River’s Edge Resort – Friday, June 18th and Saturday, June 19th (Solstice / Father’s Day Weekend)

Dues are due by the end of the year. You should have received an invoice, and your payment should be sent to the club PO box or dropped of with Rochelle at Larson’s

Locksmith.

Laurel and her elves have the Annual Meeting / Christmas Party all planned, and you should be receiving the invite about now (and I believe there is a reservation form in this newsletter, too). We are a big group, so reserve your spot soon by returning the \$10 reservation “fee”. Half of the fee funds cash door prizes and the other half will be donated to charity in January. Be sure and get those auto-related gifts wrapped, too.

I’m looking for folks to fill quite a number of jobs on committees and for events for next year. Please let me know what you will do – before I ask someone else to do what your favorite might be...

See you all at the Holiday Party!

Couldn’t resist this! Any one have one of these?

Sterling

Pictures Of The Troll Travels Requested

I want to get the pictures of the troll travels, and any narration to the travel that may accompany the pictures. I want to do an album in the "Life of the Troll". It has been mentioned a couple of times at the meetings, I want to be sure the club has a chance to get the pictures in to me.

They can email them to me. By the 8th of December.

Here is another email, snowgod-
dess42@yahoo.com

Thank you very much,
Theresa---

In October the Troll joined Nancy Allen for a trip to Washington DC. The Troll is patriotic and enjoyed getting her photo taken with a US flag in front of the White House.
