## 2013 RAFFLE CAR WINNER DRAWN AT GOLDEN DAYS PICNIC

This newsletter is a publication of the Vernon L. Nash Antique Auto Club of Fairbanks, which is the farthest north region of the Antique Automobile Club of America.

Material may be reproduced only if credit is given for the source as being this publication, and we are provided a copy.

The club had a pretty fair turnout for the Golden Days Parade, and a huge turnout for the Club Picnic. The morning started out rainy, but improved as the day progressed. The day's highlight for all was seeing the club raffle car, a 1965 Mustang given away to winner Dorene Bunch at the appointed 2pm hour. Dorene had bought five tickets from her co-worker and our Club President Scott Culbertson a few months ago—one of which was #3085 and the winner. She was elated with surprise at winning the car, but more surprised was her husband, Chris, because she had not told him she bought tickets. She called Chris as soon as she came to the Picnic and confirmed that she won. Chris came from work to help celebrate and to see the car. We welcome Dorene and Chris as new members to our club.

In the photo below, cars line up on 2nd Avenue for the parade. Wilma Vinton did a great job doing all the organization for the parade, and as is the annual practice, our long line of club cars led the Fairbanks Golden Days Parade. Going first had the usual advantage of being able to park at the end and enjoying the parade sitting in front of Wilbur's Sheet Metal Shop with gracious hosts Roy and Brenda.

seemed that neither Sam Simmons or Paul Tekin had the energy to start (or maybe it was all just their cars...).

(Continued from page 1)

The two oldest cars were Larry Sullivan's Model T, and the Model T owned by Stella Carpenter. Ben and Stella led the parade for years and it was fitting that Stella do the same this year in Ben's memory (Ben passed away in June).

John McCarthy made the picnic barbeque arrangements and was universally complimented for his selection of Bad-2-da-Bone Barbeque to do the catered pulled pork this year. There was an overwhelming spread of salads and desserts brought pot-luck style by the club members.

The Board probably needs to schedule a monthly meeting program on parade readiness this winter. Bill Chace's Model T overheated, Nancy Peterson had trouble with George Clayton's Ole #16 and had to be towed in the parade, and it

*Some cars had a tough day—top: Nancy Peterson in #16 being towed in the parade; middle: Sam Simmons in his '38 Stude Truck needing a push start; and bottom, Paul Tekin gathered even more help and almost had the whole CTC Fire Class pushing before he got started...*

# 2013 Long-Distance Tour / ABDT to Dawson City for Canada Day and Eagle for Independence Day

The 2013 "Adventure before Dementia" annual long distance tour was held the first week in July so as to cover Canada Day celebrations in Dawson City, Yukon Territory, and then Independence Day celebrations in Eagle, Alaska. The tour was arranged and the group led by Scott and Linda Grundy, with participants (with cars noted) being: Ed & Laurel McLaughlin (1990 Geo Metro), John McCarthy and Nee Nakprasit (modern truck and teardrop trailer), Rick & Jill Larrick (1955 Buick), Bub Larson (1966 Ford Dually with vintage camper), Rochelle Larson (1966 Ford Crew Cab Pickup), Theresa and Will Chase (1962 Chevy Panel). Robby and Doris Casey travelled to Dawson with us in their modern vehicle. Marion and Squeaky Benham met us on the way trailering their 1921 Model T Ford, and they and John and Betty Borg were gracious hosts in Eagle. Unfortunately Don and Dawn Frazier had to cancel at the last minute (Don took a new job), and they were missed.

The group left from the Sadler's lot in Fairbanks early Saturday afternoon, June 29th, and drove down to Tok where we had a great dinner at Fast Eddy's. Sunday morning, the group made the longer, but far more scenic drive to Dawson City. Pavement ends

just before Chicken, where the group stopped for late morning break. With the past couple springs being rough on the roads in the high 40 Mile Country, the Top of the World Highway was seeing new construction for pretty much the full stretch after it left the Taylor Highway.

the parade. It was led by a band on a vintage truck, featured the local children on decorated bicycles, had the usual contingent of Mounties and Good Time Girls, our club's cars, and a fire truck or two. Our participation was appreciated and commented on by many.

The view was spectacular from the Top of the World, and we soon arrived on the bank of the Yukon to wait for the ferry. Crossing to the other side, we settled in for a few days stay in historic Dawson City. The group found some good restaurants and reasonable prices (for tourist season) in the city, and Dawson and the Canadian Government have done a good job preserving the landmark buildings in this historic town.

On Monday, we lined up for

# President's Headlights - Scott Culbertson

Well it has been a very full summer and we have all been busy. As always happens some of us (myself included) don't find much time to take part in all the club activities. Not to worry - as I have come to find out over the years you can still be very involved in the club by holding elected office. I am saying this now because very soon I am going to be seeking members to form an

elections committee. At our November membership meeting we will elect next year's board. I would really like to ask that everyone take a moment and think about your time commitments and consider whether you have the time to serve. If you don't have the time to be on the board we can always use short term help on projects.

If you are interested in being on the board but would like

more information please contact me or speak with me at the next meeting. I would be very happy to share what is expected.

See ya at the meeting

## Sunshine Club

Tracy reports:

Past Club President, Ben Carpenter passed away just as the July newsletter went out. The picture is of Ben and Stella as they prepared to ride in the 2006 Golden Days Parade. Tracy sent a card from the club to Stella.

Tracy McLeod is the Sunshine Contact. Please give her a call or send her an e-mail if you know of a club member who could use a little "sunshine". Tracy can be reached at home: 456-7877. or by e-mail: [tksplits@yahoo.com](mailto:tksplits@yahoo.com)

## EDITOR'S LEFT (on) BLINKER

Jill and I especially like to travel on the annual ADBT or Long Distance Tour with the club. When you combine the common old car interest with a group of good friends (both old and new), you have a lot of fun! The annual tour has become a much looked forward to yearly vacation, and being with friends on a well planned tour really is a relaxing time.

One of the things I also like about travelling with old car folks, is that there is always some "technology side trip". This year in Dawson, I found two—the Railway Barn at the City Museum and the large Dredge #4.

## BORED NOTES FROM BOARD AND MEMBERSHIP MEETINGS IN JUNE

- The Finance Report had everything on-budget and \$31,862 in the bank.
- The membership report was 226 members (90 joint and 46 single. New members were Jim Cruiz and Bob Miller.
- At both board and membership meetings the upcoming events and their PPRs were reviewed (see Calendar).
- The upcoming Golden Days Parade / Picnic / Raffle Car Give-Away were reviewed in detail.
- The Thank-You ad for Seekins Auto Body Shop was again discussed in light of their generosity with the body work and paint job on the Mustang.
- The search for the 2014 Raffle Car was discussed—we need to find candidates soon so that we can purchase one yet this summer.
- Nancy Petersen will miss the next several meetings, and Scott Grundy volunteered to fill in as Club Secretary for the next few months.
- Willy Vinton reported on the presentation being done by Jeff Mahl on The Great Race on August 6th. Jeff's

grandfather was a mechanic on the New York to Paris run.

- In light of the above announcement, the August Board meeting was moved from Tuesday, August 6th to Wednesday, August 7th.
- Arrangements for the August Meeting at the Salmon Bake were made.
- Cindy Helms won the 50/50 so now she has a little gas money for her big Cadillac.
- Kelly Rivers took the Troll Doll, and we look forward to pictures and a story!

### Ruth Ann's Crisp Cucumber Slices

Blend equal parts Sugar, White Vinegar and Water until sugar dissolves. Pour over two large English Cucumbers, sliced thin and one large sweet Onion, sliced thin. Salt and Pepper to taste. Refrigerate overnight before serving. (Note: I usually start out with one cup each Sugar, Vinegar and Water.)

- Ruth Ann Domke

## RIB RUN!

Another great meal was had at the Salchaket Roadhouse, as arranged by Will and Theresa Chase for the outing on Sunday, July 14th. There were a total of 28 folks, with a great turnout of cars. The group of classics below was joined by Shoemaker's '64 Ford Futura, The Cook's two Buicks—the '56 Roadmaster and the '69 Electra, and the Holmes '55 Chevy Belair. There were also several modern cars.

**You Can Do  
What?**

By Steve Moskowitz  
Executive Director

Provocative title? Hopefully so as this message is meant to let you know that we, at national headquarters, only exist to serve you. However, we cannot serve you to the fullest unless you ask or get involved.

First, do you know that your magazine is now online? We always have a previous month's edition available to anyone. Hopefully you can direct potential members to our homepage (under publications) to see what a quality magazine we produce. Once you get using the digital version you will be amazed at the tricks you can do with it! Within 30 days we put the current issue online but only for members. The current edition requires your member number and password.

While on the web please go to the regions drop down box on the homepage. There is a wealth of resources available to you there. Virtually all the forms you need and other information is at your fingertips. Under Publications you will find our Policy & Procedure manual which answers many of your questions.

Don't forget that your club has a strong scholarship program. Please review the various scholarships and requirements for your children or grandchildren. This information is also available under the publications drop down box.

AACA has a pretty extensive merchandise program. Most of the merchandise is available online and you can call our office to order as well. Ask to speak to Karen. Karen can even help you with special orders for your entire region. Wearing our branded items help promote the club and get us new members.

Have a question? Feel free to call, write or email any of us here in Hershey. Last year this office received over 90,000 emails so some people are staying in touch. Our goal is to answer all correspondence in 24 hours and our great staff usually manages to meet that challenge. We are here to help so do not hesitate to contact us.

Also, do not forget the AACA Library & Research Center is located here in our building and they stand equally ready to help you. Each member gets 1½ hours of free research a year. The Library is open 5 days a week including Saturday. You are welcome to visit and we will be glad to assist you in your research. Our library also can be accessed from our home page at [www.aaca.org](http://www.aaca.org). Please check out the online catalog to see some of our extensive collection of almost 1,000,000 items!

## What if there were no hypothetical questions?

**Parade Lineup at Dawson, YT** hosts a Community Pot-Luck Supper each year on July 3rd at the Improved Order of Redmen Hall (interestingly, the order dates back to the Boston Tea Party). The dinner is well attended by community residents and many visitors and former residents who return each year. We met lots of wonderful people, some who we knew from

cake walk, food, and kids just having old fashioned fun.

Later that afternoon, we took the historical tour of Eagle and of Fort Egbert led by John Borg. Famous people in Eagle's history, such as Billy Mitchell and Roald Amundsen, connect to the present day in John's narrative.

On the evening of the 4th, we had dinner together at the Falcon Inn, and in what has become tradition, Ed McLaughlin recited the Robert Service poem, "The Three Bears". His rendition gets better and better, and he was rewarded with loud applause.

**Ed McLaughlin's Annual Poetry Recital**

On the 5th, we set off on our return with a planned overnight stop in Tok. We stopped for a quick lunch in Chicken and were informed that the Taylor Highway was shut down for 10 hours for the investigation of a fatal accident. We settled in for the day (you can run out of things to do with 8 hours or more in Chicken, Alaska, but we did find good food there). We made it to Tok about 10 pm, a bit late for dinner.

We returned to Fairbanks on the 6th. There were no serious car problems, and everyone, once again, had a very enjoyable time. Many thanks to Scott and Linda Grundy for again taking on the "cat herding" duties of planning and leading this annual Long Distance Tour, known by most as our annual Adventure Before Dementia Tour.

**Eight Hours is a long time in Chicken....**

*(Continued from page 3)*

hosted lunch at the old Town Hall / City Museum, most of us went on the tour of Dredge #4 (largest in NA). Like most of the City, this has been well preserved / restored. We had a great guide and the tour was enjoyed by all.

**Dredge #4 Tour**

Most of our group paid homage at the Robert Service cabin, and many did a walking tour of the town.

On the 3rd, we again cued up for the Yukon Ferry and made the drive back across the Top of the World Highway to the junction with the Taylor Highway for the trip to Eagle. Eagle is the next town downstream from Dawson City on the

Fairbanks, and many from the Eagle community. After dinner, the Historical Society held a baked goods auction.

On the 4th there was a very impressive flag raising, music, and Independence Day Ceremony at the first Alaskan Courthouse, established in Eagle in 1901 by Judge Wickersham. After the ceremony a very special quilt was auctioned off, with the high bidder being our Theresa Chase.

**Above: Independence Day Ceremony in Eagle. Below: Theresa with the artist who did the quilt**

*Photo by Grundy*

The celebration continued with an air fly-by in a vintage bi-plane, and then the Parade. The parade was led by a calliope, a Model T Pickup, kids on decorated bicycles, several local floats (one especially well done by the high school students about the Declaration of Independence), and then our club cars, and the local ambulance and fire truck. After the Parade was an old fashioned community picnic, with games,

## Clipper Mine Picnic — July 21st

Greg Oslund does chicken on the forge, kept warm on the hood of Jim Farnham's Dodge 6x6

Clutch and Lorna Lounsbury were great hosts at a picnic held at their Clipper Mine property in Ester on Sunday, July 21st.

The club met at Pioneer Park and made the short drive out Henderson Road to the gold mine at the

top of Eva Creek. Lorna and Clutch had provided hot dogs and plenty of food, and the club had brought Bad-2-Da-Bone BBQ Chicken and the leftover desserts from the Golden Days Picnic.

Clutch is a walking encyclopedia of local history, especially when it comes to mining, and the history he shared of this very special mine was enjoyed by all. Clipper is the last patented mine in Alaska, and was worked by Jim and George Lounsbury's father before passing on the property to the two sons. On tours down into the mine, Clutch had a great background to share and show the history of exploration and very hard work on the site. Even the mine's once top secret mission (in the room shown above) was revealed to those on the tour.

## Scavenger Hunt — July 13

The rally/scavenger hunt went well. We had 13 cars show up at the beginning, and a couple left due to no woman to help them find their way..... We only had one that had to call to find the spot for dinner, and that car did have 3 men in it, and one woman, but they probably didn't pay any attention to her. Everyone seemed to have a good time, even if we did have a few that attempted to commit fraud, such as faking a business card from ACS, which was hand written on the back of a card that had Dr Karpik's name on the front???. Then there was the bribe found in one bag, .20 cents, (2 dimes) which I fully intend to return if I remember who it belonged to..... and the Spork, points were lost due to a fraudulent spork that was presented, someone (won't mention Cindy's name because I don't think Brent knew about it, or at least I am giving him the credit of not knowing), he was just driving the car, and not really sure about the flowers either, rumor had it they may have had a sympathy note attached and some one seen a similar car near the Clay street cemetery. But I digress, the event went well over all and the winners were. 1. Dave Karpik and Katy Rice, 2. Was the Brands, 3 was Shelly Larson and crew, and 4<sup>th</sup> was miss Sade Mapp directing the Mapp family. The end of the rally was at C&J's drive in, after being lead thru the back roads of Fairbanks. And a total of 7 items had to be brought, to win. I might also mention that Ron lost a \$50.00 wager to Nancy, and he did show up with a 99 cent Value Village flower arrangement, which he attempted to pass off as a piece offering to Nancy, however I think the cash over ruled that. And please note that I did not mention Scott being the one that had to call.
