

TREADS ON THE TUNDRA
FAIRBANKS CHAPTER HCCA

Our first meeting of 1984 was well attended at the Club "11". I have been informed by a couple of members they received their notice the day after the meeting. For this I apologize.

Our next meeting will be May 17th at the home of William and Joyce Chace. Time: 7:00 P.M.. See enclosed map. If anyone wants to go as a group we can meet at Fairbanks TBA parking lot. Anyone wishing to do this call Clain Hill 452-2142. Bill has some film footage he says should be of interest. Plan to attend.

We have a very full schedule of proposed activities and rallies lined up for this summer. Should have definite dates at this meeting for most of these.

We collected a lot of dues, but still have some outstanding. Remember to participate in Golden Days Parade and also our steak outs and picnics at no charge you must have dues paid up.

This year we are participating in "Fairbanks Festival 84" during the month of June.

TENTATIVELY: June 15th Rally and Picnic at Alaskaland
June 20th Car Games and Displays
June 25th Possible swap meet and car show

It was discussed and agreed upon that our major trip this year is 4th of July at Circle Hot Springs and to invite Anchorage to join us. With a possibility of Fairbanks going to Anchorage next year. I have heard the road to Circle is in very good condition this year.

July 21st? Golden Days Parade.

Haven't been approached for car shows yet but look for one to be scheduled.

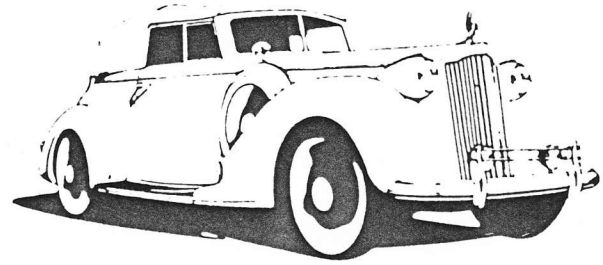

Possibly some time in May a Rally and picnic with a Square Dance Group.

There may be some spur of the moment come as you are rallies so keep the car tuned up and prepare to have unexpected guests.

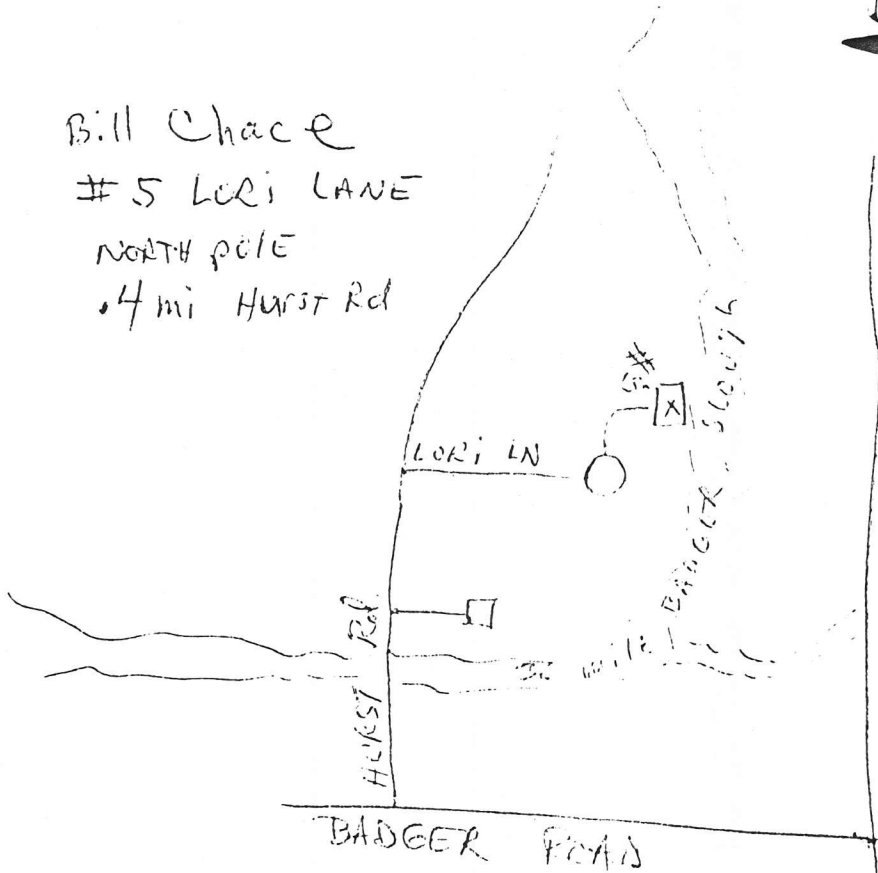

Come out and give us some new ideas. You may have the best one of the year.
