

TREADS ON THE TUNDRA

To those who survived and those who could not make it to the Parade in Central. Our presence was greatly appreciated and a good time was had by all that attended.

Four CARS and three SISSY CARS made the trip. Beautiful weather all of the way up and during the parade. It rained after the parade and on the way home we got a good look at the inner structure of a cloud on Eagle Summit.

Next year maybe we can come up with new ideas where we can go and have better participation. WE ARE LOOKING FOR NEW IDEAS.

Our next meeting is July 19th, 1984, 7:00 P.M. at Clain and Ruth Hill's home. This will be our last meeting before the parade. We will have a short business meeting. The rest of the evening we can clean and repair cars before the parade.

If you have not been contacted by Vern Nash or Clain Hill regarding the parade please call them immediately with the following information:

1. What you will be driving?
2. Who will be driving?
3. Interesting facts about the car.

We do have the New Name Tags. Bring your old ones to the meeting and exchange them for the new ones.

Please plan to attend our next meeting on July 19, 1984, 7:00 P.M. at Clain and Ruth Hills:

827 15th Ave.  
Fairbanks, Alaska

You will not be contacted regarding the parade other than this meeting.
