TREADS ON THE TUNDRA

Wake up Tundra Tredders to a new motoring season. We closed last season with a fine finale. Dinner was served, we sang, and exchanged and exchanged and exchanged gifts. I'll bet some gifts traveled a few miles that night, across the tables that is. We look back with amusement now as we remember the Alaskaland security asking us to move and move again our cars during dinner. It seems that the newly dropped 24 inches of snow was a problem. More than one pair of boots got filled with snow while security tried to decide where we should park our cars.

New officers were elected and last years officers promised to become my advisors. Alas- Ruth Hill stayed around to help me with the millions of new members clamoring to join. New officers are:

President- Bill Chace

Vice President- Carl Jeglum

Secretary- Joyce Chace

Treasurer- Ruth Hill

The past seasons activities are going to be remembered by many. Perhaps if you can't remember them you were not there or perhaps you were there... anyway, this next season will be one to remember, partially because I'll be here the whole time to remember it. I don't plan any more long sojourns for awhile... unless it's to look at old cars or parts. With this monumental statement I'll list a few ideas for activities for the upcoming season that we'll be discussing at the March 21st meeting.

Gulkana fly in and air show

Square dances and rallies

Nenana days

Circle Hot Springs celebration

Golden Days

Antique show and swapmeets

Chatanika gold camp and excursions

Valdez trip

Campouts

new ideas welcome
