TREADS ON THE TUNDRA

Aug. 31, 1985.

It looks like the month of August has put a dampener on the activities of the HCCA here in Fairbanks by dropping a few buckets of rain now and then.

Our meeting of August 15th was sparsely attended. The program was a video called "Adventure South" filmed in 1941 of the trip three men took in a 1941 plymouth to the tip of South America. Reports on the parade and on the trip to Valdez were made.

We had 39 cars in the Golden Days Parade on July 27th. The weather was perfect for both the parade and the picnic at Alaskaland afterwards.

There were 3 cars that journeyed to Valdez for the parade on August 10th.

With great anticipation for dryer weather in September we voted at the meeting to have a progressive dinner on the 8th and to have the Fox and Hound later in September as the weather permitted. We called many people to find hosts for the various courses and as a result we still had no host for the main course and many people were unable to attend. Seems moose season is a priority with many as can be understood. So for those of you that were at the meeting the progressive dinner will be postponed until after the next meeting.

The next meeting will be September 19th at Derrall and Winona Mc Birney's at 7:30. They live at 668 9th Ave.

We still do not have enough orders for jackets to get the reduced price so we'll wait until we have enough before ordering. If you would still like to order but lost your form you have another chance. Take the form below to Ruth Hill along with your \$30 then take the signed form to Raven Screens to pick the correct size.

See you on the 19th,
Bill and Joyce Chace
