TREADS ON THE TUNDRA

Just a quick note to advise you of the next meeting. It should be a good one--see the attached flyer on the company which has loaned us a video showing a complete frame up restoration they did. As you can see, they should know their stuff.

Time--7:30 P.M.

Date--April 16, 1987

Place--KMG Main Hurdman Office--old St Joe's Hospital--
119 North Cushman--3rd floor Conference Room

Hosts--Genial Gene and Tiny Tina

Refreshments--but of course

Program--if you read this far, you should already know--
-if not, go back to 60, collect \$200 from Ruth (just try!!), and
start over!!

I want to thank the Hill gang (note, that's not the Over the Hill gang) for carrying the show last month when I was called outside suddenly--likewise Roger Smith was also tied up (clever way Isa has of keeping him home occasionally!). Once again our dependable members rose to the occasion--thanks to you all!

See you the 16th at 7:30 in the old Delivery Room (maybe).

Sputter, Putt, Roar (she runs after the winter rest!)
