TREADS ON THE TUNDRA

Well, I hope everyone is now back on dietary schedule after the blowout at the progressive dinner. The news I heard was that there was plenty of good food and a good many club members came out on the day to enjoy the eating and chat. Thanks to the Jeglums, Saupes, Hills and to Isa for the great fare.

The news on the parade is that we have declined to pay the \$150 required for a 30 car entry. The ball is now in the organizers' court. It looks as if the club can enjoy the parade from the sidewalk this year. Of course, some of us might want to enter as individuals. Ben Anderson, Jerry Krier and Carl Jeglum have been representing us and have put our concerns plainly to the organisers. Thanks to them for their efforts on our behalf.

My schedule is playing havoc with attendance at Club meetings this summer. The next meeting should be on the 20th July if it is held on the 3rd Thursday. Once again, I will be out of town on that day. However, I can make it on Wednesday 19th. After checking with some Club members, I find that it might be reasonable to have a meeting on a Wednesday, just this once. Hence we will have our monthly meeting on Wednesday 19th July at 1021 Pedro St., the home of Ed and Alene Christiansen, at 7.30pm.

See you there,

RWS.
