TREADS ON THE TUNDRA

We all had a good time meeting around the tub at the Christiansens last month. No diving or splashing was allowed during the meeting times, however! Thanks to Ed and Arlene for providing their home and lovely refreshments. Rumors have percolated to me that not many members remember what was decided at that meeting, so here is an extract from the minutes.

We decided that each Wednesday evening during the summer we would gather (as many as could come) at Fairbanks Clinic for a run through the hotels and campgrounds parading our cars. Gary Nash suggested it, and has headed up the processions so far. If you feel like some fun one Wednesday, just turn up at Fairbanks Clinic at 7.30pm with your antique car.

Also agreed was that we would have a Sunday outing on August 20th with an afternoon of car games, possibly at Angel Creek on Chena Hot Springs Road. This will be a potluck barbecue with lunch at the Nash Cabin. Bring whatever food you would like to eat (salad dish and meat to barbecue) and share it with your friends. A barbecue will be provided. We will meet at 9.30am at Fairbanks Clinic. Be sure to be at the meeting place on time, since there may be a change of plan announced at the last minute.

In conjunction with the visit of Bruce Williams to Fairbanks, we are planning a special event with cars and a trip to the Gold Dredge #8 with the celebrity. This will be August 18th (Friday) and has been planned jointly by Ken Meyers and Ed Christiansen. Those wishing to take part (the more the merrier and all are welcome) should gather at the Alaskaland parking lot at 2.30 pm.

The next Club business meeting will be squeezed in between the fun on Sunday. We will review plans for September (Currently we have scheduled a progressive dinner for September 10th) and think about activities for the winter.

Ruth has jackets for those who ordered, and samples for those who wish to order.

See you soon, on this busy weekend. RWS.
