Vernon L. Nash Antique Automobile Club

Our esteemed Vice President, Al Monsma, did an excellent job of running the March meeting for the club. Thanks Al. It was reported from unknown sources that he would have rather been cleaning the cat box, but no one scratched or bit him, (at least not this time) so I guess he came out OK. MEOW, PURR, PURR ---

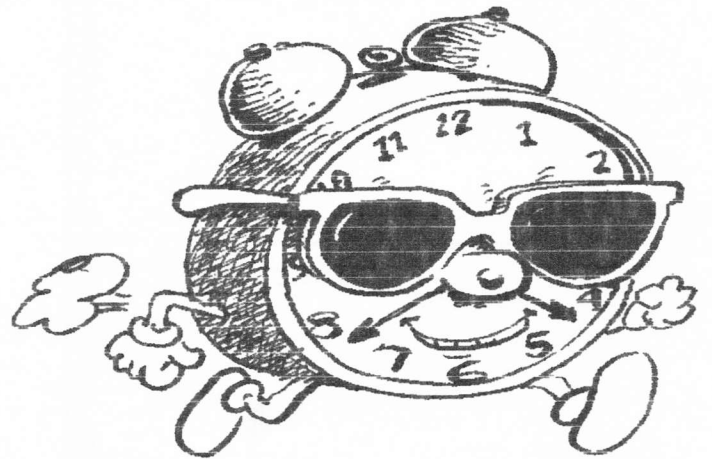

For the **April 10th** meeting we will be at **Geraldo's** on College Ave. As usual they will close the restaurant to the public and we will have the whole place to ourselves. Come on out -- we hope to see you all there. Before dinner drinks & gabbing is at 6:30 PM, Dinner 7:00, and the meeting usually begins at 8:00. Dinner will be buffet style for \$15.95.

The weather is getting warmer, the snow is melting (oh, but ever so slowly), which means its almost time to get those cars out of hiding, storage, or from under. Some of us have already taken a good look at what has to be done to get them road ready. Lets share some information of what's going on with the "ole Henry's and Bessies;" so that we can all get our cars up and running and enjoy our Alaskan summer. We have several events planned already and it looks like a busy summer -- Wasilla, Gakona (?), Nenana, Delta Fair, Fairbanks Parade, North Pole, Wednesday night rides, Picnic's, etc.etc.etc...

Don't forget **April 4th** is the deadline to get your registration in for the Arctic Wheels Annual Auto Show to benefit the Food Bank and Senior Center. It'll be held at the Carlson Center, Mother's Day weekend, May 9, 10, & 11. A registration form is included in this newsletter for your convenience.

The Arctic Wheels Auto Show planners are looking for a few more judges. If you can help out please call 455-WHLS (9457) to offer your services. Also there will be the exhibitor's dinner on Saturday, May 10th at 8:00 PM at the Alaskaland Civic Center -- and its not just for the exhibitor's, but anyone interested in automobiles. So make your reservation soon, tickets are \$15 each, call 455-WHLS (9457) for the info.
