Old Business

Healy Trip / Joint Meet w/ Anchorage  
Car Show

Show & Shine / End of April

Anything Else?

New Business

Malamute Saloon Trip / Set Date

Volunteer Leader for Wed. nights

Whatever you bring up

Other Business/Anything Goes!!

Entertainment

As entertainment for this month's meeting we'll have you tell a favorite Easter story or two! (I have two, so can you.) And may-be, just may-be if he has his guitar or harmonica, we can talk George Clayton into a serenade or two, too.

### FIRST OUTING!!

We've been invited to the Pioneers of Alaska's Open House at Alaskaland Friday, May 22, from 4:30 to 7:00 pm. Contact Gary Nash 456-2103 and let him know you'll be there and if you could drive an old pioneer from the Pioneer's Home to Alaskaland. **Get your cars in gear,** this will be our first outing!

### DINNER & SHOW

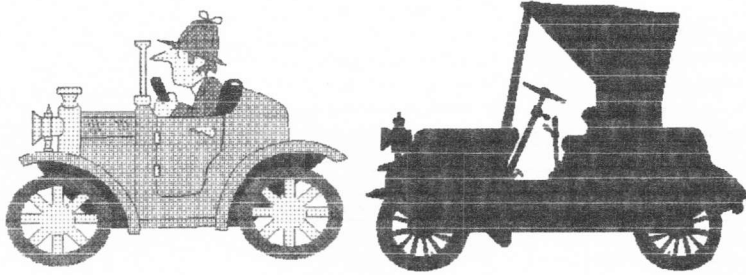

We're planning an outing to Cripple Creek / Malamute Saloon for their dinner and show -- total cost \$21 per person. We just need to decide which night - either Friday, May 29th or Saturday, May 30th. Sounds like a GREAT time.

### ARCTIC WHEELS CAR SHOW

The Arctic Wheels Car Club annual car show is May 8, 9, & 10 at the Carlson Center. The show will benefit the Senior Center's Meals on Wheels program this year. Remember to get your entries in if you haven't already! See YOU there.

## NEW MEMBER

We welcome new member Brent LeValley to our club, and thank Don Oines for being his sponsor. Brent has a 1930 Ford Model A, 4 door Town Sedan.

## WASILLA TRIP

The latest on the Wasilla trip (we will also be updated at our April 10th meeting at Geraldo's) is that the dates, June 6, 7 & 8 are Ok with the Wasilla Transportation Museum and the Anchorage group I presume. Handouts of where to stay will be available at April's meeting as I'm being faxed an updated list. Now, if there are no fires to put out we'll be in good shape!! We are the hosts this year, so lots of help is needed to not only plan the trip but the food, the banquet, car games and entertainment too. It's a big task but usually all falls together beautifully thanks to the veteran members who have planned many many events such as these for years. Let's go have some fun.

## NENANA FUN

Bill Chace has heard again from Jack Coghill and Bill will give the latest information on the 80th Anniversary of the Nenana schools. (Sorry Bill for last month's newsletter reporting that it was for the 80th anniversary of Nenana -- hope I don't get as bad as the News Miner!) The celebration will be July 5th and the club has been invited to attend and participate in their parade. Sounds like another good time to me!

Speaking of making mistakes, if anyone finds a misspelling in the newsletter let me know and you'll win a prize.

## EDITOR'S NOTE

We'll Paul's been at it again, and this is the third time he has crashed our hard drive on the computer. He's been in the dog house out in his shop where he can't do that much harm (??) for over a week now! I know he was only trying to be helpful, but I'm sure he'd worry if I decided to put a new transmission in the Mustang for him.

## EX CLUB PRESIDENT BREAKS A LEG

Clain and Ruth Hill were commanded to stay an extra bit in Hawaii by Clain's doctor after he broke his leg a couple of weeks ago. It was rumored that someone yelled FIRE and he turned and ran out of the garage tripping on the step OR that he was not watching where he was going but watching a bikini clad redheaded beauty and tripped -- you believe whatever story you want to. Clain will tell you the truth I'm sure.

## NOTES & NEWS

Our sympathies go out to Mary & Jerry Roehm on the passing of Mary's father. They are back from the funeral and we want them to know that we are thinking about them.

Joyce Chace's Mom had successful neck artery surgery and is recovering in her California home. Joyce and Bill are also back from their trip to be with Mom. They are planning a busy summer in CA to help Mom with the things that need to be done there.

Ben & Ardy Anderson are still settling things on the ranch and are planning (hopefully) come up to Fairbanks in June, at least for a good visit here. You can reach them at:

Ben & Ardy Anderson  
Route 3, Box 63  
Bowman, ND 58623

or call them at: 1-701-275-8844

## How to Bake a Cake

Light the oven, get out bowls, spoons, and ingredients. Grease pan, crack nuts, remove 18 blocks and 7 toy autos from the kitchen table.

Measure 2 cups of flour; remove children's or grandchildren's hands from flour; wash flour off them. Measure one more cup of flour to replace flour on floor.

Put flour, baking powder and salt in sifter. Get dustpan and brush up pieces of bowl which kids knocked on floor. Get another bowl. Answer door bell.

Return to kitchen. Remove kids hands from bowl. Wash kids. Get out egg, answer phone. Return. Take out greased pan. Remove 1/2 inch of salt from pan. Look for kids. Get another pan and grease it. Answer telephone again.

Return to kitchen and find kids; remove their hands from bowl; wash shortening, etc., etc., of f them. Take up greased pan and find 1/2 inch layer of nut shells in it. Head for kids, who flee knocking bowl off table.

Wash kitchen floor. Wash table. Wash walls. Wash dishes. Wash kids, again.

Round up kids. Get in car. Drive to the supermarket. Go to the bakery section of the store. Buy a Cake. Get back in car. Go home.

After dinner, serve cake and listen to spouse wonder out loud what we did all day, and ask why we have a store bought cake!!! Strangle spouse.

## SPRING CLEAN UP TIP

Since its getting warmer and we're all looking at doing some spring clean up -- what about that greasy oily cement garage floor? Well Bill Chace tried this recipe awhile back and said it really works!

If the concrete floor has become oil soaked and you want it to look new again -- Cover the floor with one thickness of newspaper. Then sprinkle over with cleaning solvent. Leave this solution on the floor three or four hours, or better, even overnight. Then take a broom, sweep up the paper, and you will find the floor as free from unsightly oil stains as when new.

## WANTED: "Sunshine Person"

While looking through old newsletters I came across several mentions of birthdays and anniversaries, and several times it was motioned in past minutes of sending cards or flowers to people for various situations they were facing. We need a person that would be willing to take on the task of coordinating our membership list and making a birthday and anniversary list, as well as send out cards or flowers to people in need. It's a great way to personalize our club and once organized it would only take a few minutes to pass along the information to the newsletter editor to publish each month. And sending a card or flowers to let others know we care is much appreciated.

If you would like to take on this task or know someone who would be good at it, come to our next meeting and VOLUNTEER yourself or them for the job (contact the other person and get a "yes" first, please).
