

Puddle Jumper

March 1999

The Hot Tamale

We had approximately 25 members show up. The food was excellent, but I thought the service needed some organization. They may not have served a group our size before. Hopefully next time they will have it together.

Summer Weddings

We have been invited to contribute to a couple of weddings:

- * June 19 Thomas
- * July 10 Gullickson

They are both on Saturdays. If you have nothing to do and would like to contribute to some ones memories, they would love to have you.

"Did you know that in Iowa they have to paint all the Model T fords red?"

"How is that?"

"A new state law requires all tin cans containing gasoline to be of that color."

Anyone Have 20 cents?

"Everyone's dues were held up this year but the check was in the mail, honest," says Sherry.

It seems she sent out the check of this years National dues after the January meeting. The postage rates went up to \$3.20 the prior week. The priority envelope had a \$3.00 stamp on it (purchased before the rate hike). By the time it was sent back to Sherry for postage due, she was on vacation. In the meantime, National sent everyone a dun notices.

Sherry called National and

paid for overnight delivery out of her own pocket, on March 4. She apologized for any inconvenience it may have caused anyone.

PS. She had a nice vacation.

March's Meeting

Arrangements have been made at Soapy Smiths. We have been there before. It's on Second Avenue.
