

Puddle Jumper

April 1999

April's Meeting

This month's meeting will be at the El Sombrero. I've been informed that the original owners have repossessed the restaurant. Remember the little yellow house?

A change in times:

Social 6:30 p.m..

Dinner 7:00 p.m..

Meeting 7:30 p.m..

Newsletter Contest

We have been invited to take part in the National contest. Our newsletter, if we enter, will be judged on: value to the region or chapter; content; interest; timeliness; originality; layout; cover design; printing; and graphics. The deadline to enter is May 14, 1999.

Arctic Cruiser News

For those who would like to take part, their Auto Show, at Carlson Center, will be April 30 - May 2.

They are looking for a "Poster car" for display at the Show. If you or you know of someone who owns a '59 Caddy Convertible, let AC know.

Rumor Control

Returned Snow Birds or Ptarmigans:

Squeaky and Oil
Clain and Ms. Warbucks
Sloppy and Sal
Town Krier
Stag, Don, and Beth

We have it on good authority that Gene Yurkovich

will be available after taxes.

Clain is doing well and still maintains his sense of humor. Even though he gets in only 17 holes per day.

We understand he is saving the 18th for his Eagle.

No Truth to the Rumor:

that the car games in June will be in Montana Creek--the salmon will be hogging the area.

that only Icle is asleep--not Dick.

that Rudy Domke is the Vacuum Tank.

A woman from Newport, Oregon said that in 1904 her great-grandmother had written a letter to her cousin after riding eight miles in 27 minutes in a 1904 Knox touring.

"It was so fast, it took two people to look at it. One to say *here she comes* and another to say, *there she goes!*"
