

# Puddle Jumper

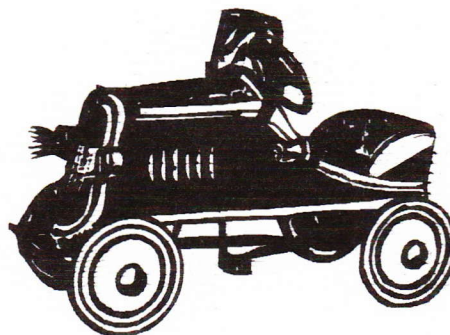

## Special Edition

Jason Kowalchuk, Manager of Little Eldorado Gold Camp and Johnne Binckley, owner has invited our club to tour their facility and operations FREE of charge Sunday afternoon May 28. This will enhance the tourist and community interest, give our club an opportunity to tour, make members aware of the history available, and encourage you all to get your cars out of storage for this opening tour of the season. This is a two way street situation to establish PR for us as well as for the Gold Camp. So be on your best behavior. No Rowdy un disciplined members or children.

We must arrive around 2 pm, park the cars and be ready for the tour at 3:00 pm. Parking and security of the antique cars will be handled by Eldorado

employees.

We need an accurate head and vehicle count by Wed morning May 24. Due to Eldorado Technicalities, Only confirmed persons will be considered. We will meet at the parking area of the old Grand Auto/Bank at Bentley Mall and be ready to motor on at 1:30 pm. Drivers coming in from East of Fairbanks can meet at Chace house in North Pole at 1:00 pm.
