Jean Paul

There was a small reception for Jean Paul and his wife Monique at the Eagles Hall Tuesday, September 5th. as they were in town for a couple of days. About 25 to 30 VLNACCA members were there to see Jean Paul again (and he brought pictures of the WWII Military Duck and a reenactment of the Normandy Invasion) and meet his wife Monique. They are honorary members of our club, hailing from France; Jean Paul had brought his "Duck" over here several years ago and got together with our club. We all had a great time and Jean Paul says he never forgot his visit here in AK and that's why he's back! Jean Paul has requested

our car club flag for his "Duck" -- he has the AK flag, American Flag and French Flag now -- when I told him we don't have one, he said "make one!" We could offer a sweatshirt and cut out the front and stitch the ends and make one -- anyone willing to do the sewing? I'll buy the sweatshirt!

Many OOGA-OOGA's go out to Bernie and Judy Saupe for planning and organizing the reception. Becy took pictures and maybe they'll be ready at the meeting on the 14th.

PS: Where is that famous picture of Gene Hansen standing of the stern of the Duck - - - - - over the side? If you have it bring it to the meeting please. If you can fill in the blank you get one free 50/50 ticket.

Secretary, Georgia Berry, has a teaching position elsewhere and will not be able to continue her duties. A volunteer is needed to keep the minutes and get the newsletter out (this is her last one). If you have a computer, Microsoft Word, and Print Shop, she will give you a disk with all merge files, etc.
