PRESIDENT'S HEADLIGHTS.....

"Cruisin into Summer"

Many thanks go to a lot of our members for helping with the Carlson Show and with the Joint Meet. For the Carlson Show, Rod Benson really gets some praise for "sharing the driving" by taking the leadership position in organizing that event. For the Joint Meet, many thanks especially go to Scott Culbertson for "sharing the driving" and organizing that event. Many, many, others pitched in to help on both events, some taking on significant chunks of the action. Those who helped are very much appreciated by the rest of the membership; those leading events especially appreciate those who commit by signing up in advance to help.

By all measures, the Carlson Members Only Show was a success and you can read about it and see pictures elsewhere in this newsletter. The same goes for the Joint Meet. The Joint Meet was great fun and again pictures and a story are included in this newsletter.

As usual, we also had a great time with Gary and Jill Nash on the poker-run that Gary insisted he again organize, as he does each year (despite his health challenges) – their "share of the driving" is especially ap-

preciated!

By the time you are reading this, we should have had our Group Picture taken. This is scheduled for June 26th. This is a special year – the 25th year anniversary of the club's association with AACA – and hopefully we had a large percentage of our now 210 members out for the picture!

Raffle Car tickets are about sold out – last I talked to John McCarthy and Rochelle Larson, there were only 9 books left! Many thanks again to John McCarthy for chairing our Raffle Car Committee this year. The search has begun for the 2012 car and for a person to take their "share of the driving" by chairing the 2012 committee.

Coming up, we have the AAMA Tour to Kennecott that a lot of our club members are going on. Scott Grundy has done a great organizing job. The commemorative patches that Bill & Joyce Chace had made are outstanding!

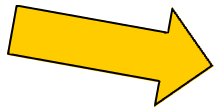

July is packed with car stuff to do – but special mention should be made of Golden Days. We have the Kickoff Celebration in Pioneer Park on Wednesday afternoon/evening on 7/20. Then there is the parade on Sat-

urday, July 23rd. Many thanks to Wilma Vinton for organizing us for the parade – we should be in front of the Curling Club at 9:30am. Our picnic is in Pioneer Park starting at 2pm and we draw the winning ticket for the Raffle Car at 4:00pm.

You can always keep up with our schedule through the Goggle event calendar on the website at <http://local/aaca.org/fairbanks>. or <http://www.oldcarsfairbanks.org>. If you have events to add, call Rochelle; if you have questions about an event, then call the "PPR" (primary person responsible) that is listed with the event on the calendar.

Feedback any event is really appreciated so that we can build on success and make improvements based on suggestions. Please e-mail your suggestions to vlnaacf@gmail.com and they will be shared with the Board and with event organizers.
