June Membership Meeting - June 8th

Our June car club membership meeting will be held at the Chena River State Recreation Site on June 8, 2017. This is a pot luck meeting where the club will provide the meat and the members bring a salad or dessert item to share. The meeting begins at 7pm with our picnic before the meeting.

Awards from the Carlson Car Show will be presented at this meeting.

Chena River State Recreation Site is located near the intersection of Airport Road and University Avenue, and is accessed off Geraghty Street directly behind the Airport Road O'Reilly's Auto Parts Store.

All streets and parking areas are paved with lots of convenient parking for classic cars.

RIB RUN: Poker Run, Tour of Bret's Garage, Great Ribs, and games (did I say GREAT RIBS?)

Due to a scheduling conflict, the Rib Run is rescheduled to August 5th. The game plan is to start at Pioneer Park at 5pm with a Poker Run around town ending up at the Helms garage with appetizers, salads and ribs. We'll have a sign-up sheet at the July meeting along with the meal price (space is limited). Hope to see you there.

Mike Lecorchick's 1946 Ford Super Deluxe Coupe

Because of the late arrival of spring this year many of us have only just got our cars out. Hopefully, fall will be late to arrive giving us more time to enjoy our cars. A few weeks ago I added one more to my collection... a 1946 Ford Super Deluxe Coupe.

Work on my 1937 Ford truck will again fall victim to yard work, golf and enjoying the events planned for the VLNAACF. I have found time to drive both cars to Cars & Coffee and Greg's garage tour plus trips to the Fountainhead Museum. Now it is time to get them cleaned and polished for the Carlson Car Show on June 3 & 4th. With the full schedule of events the club has planned, hopefully we will all find time to enjoy our cars this summer.

I would like to take this opportunity to welcome Jeff Creamer, our newest Board member. Jeff will be filling the remainder of Bob Miller's term. Thanks again Jeff for stepping up and volunteering and I look forward to working with you.

Pres. Mike

SUNSHINE REPORT:

Tracy sent out one card on behalf of the club in April:

- To Doris Casey, who fell while on a trip to Anchorage and broke her ankle.

Also, Tracy says she hopes to start going through Ray's garage and storage and would like help in sorting out and finding a home for things that don't belong to Rochelle's Mustang, which Ray was working on.

Tracy McLeod is the Sunshine Contact. Please send her an e-mail if you know of a club member who could use a little "sunshine".

e-mail: tksplits@yahoo.com.

For a postal mail address contact Tracy or a Board member.

Upcoming Events

2017 Adventure Before Dementia Tour

Sat., July 8 thru Wed., July 12
Wiseman, Galbraith Lake (or on to Prudhoe Bay if you wish)
& Manley Hot Springs

By Scott Grundy, Cat Herder Jr.

For years, our club members, James "Clutch" and Lorna Lounsbury have encouraged me to organize this tour to historic Wiseman on the Dalton. Wiseman is the farthest north gold discovery in the U.S. and Clutch's great grandfather was a pioneer miner there. All historic buildings in Wiseman will be available for us to tour. Plus, you'll see the incredible "White Man's Totem" - one of the wonders of the world! And, yes, the Lounsburies still have housing rental space available in Wiseman!

What's cool about this tour is that you can participate in any segment you wish. Limit your involvement with us only to the Hilltop Restaurant for breakfast, view the fantastic Yukon River bridge, join our celebration crossing the Arctic Circle, cross the Continental Divide in the beautiful Brooks Range, and you even have the opportunity to continue on to dip your toes in the Arctic ocean! **Or just join our group to tour the quaint village of Manley Hot Springs on July 11 & 12.**

The Dalton Highway is paved at least a third of the way to the Brooks Range. The Elliott Highway west of the Dalton is mostly gravel. This is an old car tour but drive anything you want. Several are driving their camping rigs. Just join us for the fun & camaraderie!

Contact me for a detailed itinerary and housing list at sgrundy55ply@gmail.com or 907-457-3526.

JOINT MEET

The Joint Meet with Antique Auto Mushers of Alaska (Anchorage AACA Region) will be **July 28th and 29th.** We will kick the event off at 6:00 PM at the Chena River State Recreation Site at 3530 Geraghty Ave

with a pot-luck picnic. As the hosts of the Joint Meet, our club will provide the meat and our members will provide the side dishes for the meal. The Anchorage Club will provide the desserts.

Willy has arranged a discounted rate for the Antique Auto Mushers at the Wedgewood Resort for lodging.

Saturday morning at 9:30 am we will hold Car Games at the old K-Mart building parking lot. At noon, we will gather once again for lunch, bringing whatever is left over from our picnic Friday night and whatever else members want to provide. The location for this is still in the works. At 1:30 we will have a Tour, visiting some interesting locations within the Fairbanks area. Saturday evening, at 6pm, we will hold an Awards Banquet. That location will also be announced at the next meeting.

We could use some help with the Car Games and the set up of the picnics. Please contact Willy at 388-8252 or Wilma at 388-7766 if you can help.

Explore Fairbanks / Chamber Luncheon

Explore Fairbanks and the Fairbanks Chamber of Commerce Luncheon on May 30th will celebrate the 75th Anniversary of the Alaska Highway. They would like to have a few late 40s or early 50s vehicles or 1940s military vehicles outside the

Carlson Center on that day. Vehicles should arrive about 11:15am and be on display until 1:20pm. Depending how many vehicles show up they may be able to host lunch for us.

Chevrolet GMC Buick of Fairbanks Corvette Show

Chevrolet of Fairbanks is having a Corvette Car Show on June 10th

from 10am to 2pm. This is a new (second year) growing annual event for car enthusiasts in Fairbanks. Last year 20 cars from the Anchorage Corvette Club made the trip north to show their cars along with the locals. This year they have invited the VLNAACF to join them in displaying our cars too. Bad to the Bone BBQ will be there along with some race cars. If you plan to attend arrive between 9:00 and 9:45am.

I poured Spot remover on my dog. Now he's gone.

At the request of the North Pole Lions Club, through club member Mike Welch, the Board approved allowing display of the '92 Corvette in a booth at the Carlson Car Show and for the Lions to sell tickets for their raffle in support of Trooper Gabe Rich and Trooper Scott Johnson Memorial Park and the Fallen Heroes Memorial in North Pole.

The raffle is in coordination with the Alaska Peace Officer Association, Interior Fire Chiefs, Cities of North Pole and Fairbanks, and the Borough, and is chaired by North Pole Police Chief Steven Dutra.

The City of North Pole dedicated the Memorial Park to honor borough residents who lost their lives while performing their official duties serving their country, state, or municipality. The effort started after the murder of Troopers Rich and Johnson, and then grew to recognize borough residents employed in the public sector who lost their lives while serving their community.

The fund raiser will conclude in September. 2500 tickets will be sold at \$50 each. Prizes include the restored '92 Corvette, \$5,000 in cash, and \$3,700 in non-cash prizes.

Club member Mike Welch donated the '92 Corvette which is the grand prize.

"The Monument"

I never dreamed it would be me
My name for all eternity
Recorded here at this hallowed place
Alas, my name, no more my face

"In the line of duty" I hear them say
My family now the price will pay
My folded flag stained with their tears
We only had those few short years

The badge no longer on my chest
I sleep now in eternal rest
My sword I pass to those behind
And pray they keep this thought in mind

I never dreamed it would be me
And with heavy heart and bended knee
I ask for here and all the past
Dear God, let my name be the last.

Remember our Borough residents employed in the public sector that lost their life while serving our country, our state, our community

FALLEN HEROES

**VLNAACF Membership Meeting Minutes
May 11th, 2017
Location - Fountainhead Auto Museum**

Meeting was convened at 7pm by Scott Culbertson, Vice President with 46 members in attendance.

Motion was made by Bear Schmit and seconded by Jeff Creamer to approve the April 13th Meeting as presented in the newsletter. Motion passed unanimously.

Treasurers Report- Wilma Vinton presented the current balances in checking accounts and net income to date. She also reported that the 990T report has been completed and the prepayment of 2017 UBIT taxes was submitted.

Motion was made by Theresa Chase and seconded by Paul Tekin to approve Treasurer's report as presented. Motion passed unanimously.

Membership Report was presented by Rochelle Larson. We currently have 221 Members, 39 single memberships and 91 joint memberships. She also introduced new members.

Reports from Committees/ Event Organizers- (If PPR's are available)

John McCarthy reported on the Wednesday night run-arounds. The first official Wednesday night is May 31st, but if folks want to start sooner let John know and he will make sure the key is available.

Scott Culbertson let the group know about a Car Show at the Chevy dealership on June 10th from 10am-2pm. This is not a club event, but we have been invited to join in the fun.

Paul Tekin reported on the June 11th Monderosa Run. Cars will meet at the Bentley Mall at 10 am to start the Poker run.

Greg Oslund will be the PPR for the Chena Hot Springs Poker Run on June 17th. Cars will meet at the Bentley Mall at 10 am to start the Poker run.

Willy Vinton will again put together a Road Rally on June 24th. (This was supposed to be in conjunction the Helm's Rib Run but that event has changed to a different date) The Road Rally will start right after Cars and Coffee (10 am) at the Bentley Mall.

John McDonald will have his Tailgate Party at his house on Sunday June 25th from 3pm-7pm. John encouraged folks to

come by earlier if they want to. It is a Potluck.

2017 ABDT – Scott Grundy invited the members to participate in the ABDT starting June 8th through the 13th. For more information contact Scott.

Carlson Center Car Show June 2-4th 2017- Wilma and Willy Vinton put out a request for additional help for the Car Show. There will be work session on May 21st at the Vinton's house at 1:30pm to pull the plaques, laminate sign, etc. She also needs folks to call the members re participation.

Joint Meet – Willy Vinton reminded members that it will be July 28th-29th. More information will be provided for the Newsletter.

Raffle car – John McCarthy and Rochelle reported that there are only a small number of tickets remaining. Those will be sold at the Carlson Car Show.

Ralph Glasgow introduced our special guest presenter: Justin Kleiter. He provided us with a slide show and discussion of his Mongolia Motorcycle tour. It was very entertaining and well received by the members.

Old Business

John McCarthy reported that he had reserved the Chena River State Recreation area for the June membership meeting location. Potluck Picnic will start at 6pm, the club will provide the main dish, members bring side dishes. Meeting will start 7pm.

New Business

Explore Fairbanks / Chamber Luncheon Celebrate 75th Anniversary of Alaska Highway at the Carlson Center. They would like to have some late 40's early 50's vehicles outside on display from 11:15- 1:20, May 30th (Tuesday)

Golden Days Parade- Wilma reported that the Club will start first, as in the past. Members should be lined up by 9:30 (start lining up at 9:00). Wilma provided registration forms and would like them no later than the July membership meeting.

Good of the Order

Rick provided members with News letter needs

John McCarthy read the Birthdays and Anniversaries in May. 50/50 was won by Linda Grundy. Total winnings were \$82.00.

Meeting was adjourned at 8:15 pm.

Wilma Vinton, for Donna Wojciechowski

Justin Kleiter held our group's intense interest for a 45 minute presentation on his trip

NATIONAL NEWS

Membership

**Lars Anderson Vice President
Library & Research Center**

**LET'S KEEP BEING
PRO-ACTIVE!**

Membership numbers for 2016 are consistent with what we've experienced over the past six years. That's good, considering a larger portion of our membership is aging and leaving us each year. That means we're getting more new members than in the past, which is what the club is all about - we're a membership organization. But we are still the best kept secret in the car hobby. Ask the owner of an old original car at a local show if he knows who we are. You'll be amazed at how many don't know us or maybe they've seen AACA but can't explain what we are.

EXPOSURE is the name of our game plan. Last year the '57 Chevy cut out advertising piece was developed and introduced to you at this meeting. The idea was to place these on vehicles that would fit in our club. What a great effort that produced. Over 14,000 of them were requested by our regions. This year we're going one step further by producing a '65 Mustang, which will have space on the backside for regions to put in their information.

Other efforts to expose the club and get new members include the increased visibility of our name at the Hershey swap meet. Many of the attendees there know it only as "Hershey," unaware of Antique Automobile Club of America. New last year was the military sponsorship program. Free first year membership is available to all veterans who express an interest in old cars. Also free are membership applications given to the regions.

Did you know that? Does your region make good use of them? It's important that regions use these as they result in 68% of the applicants joining us the following year.

Please take advantage of the many opportunities you have for exposing our club, and make use of the promotions national headquarters provides for you. Thank you for your unending efforts to bring the enjoyment of AACA to others. You, along with 59,856 others, are the most powerful source we have for getting the job done.

Mileage Award Program (MAP)

Purpose: The Mileage Award Program has been established to recognize AACA members who drive an AACA-approved vehicle throughout the calendar year. Participation is voluntary and tracking mileage is the owner's responsibility; although subject to review. It is intended that all activity and mileage will be governed by the vehicle's owner. Any time a vehicle is driven - anywhere for any reason - the mileage counts towards the award level. Miles where the vehicle is towed (emergency or non-emergency) do not count towards the total driving miles.

Procedure:

The vehicle owner must register each vehicle that they would like to include in the MAP by filling out a form available from National Headquarters and mailing a \$25.00 check payable to AACA. Once the application is received at national the vehicle badge will be mailed to the owner.

When the vehicle is driven 2,000 miles it is eligible for the first MAP award. The badge has a section where the number of miles is placed; the section is upgraded at each level.:

1st Award - 2,000 mile

2nd Award - 5,000 mile

Subsequent Award(s) - at each 5,000 mile increment

After you achieve your first 2,000 miles, a record keeping form is mailed to Sherm Carey at the address listed. Once Mr. Carey approves your request the award(s) will be mailed to you from National Headquarters.

All mileage is retroactive to January 1, current year
For additional questions, please contact Sherm Carey

Cotter Puller from File (No. 388)

A cotter pin puller that is powerful in its action and rapid is made from an old flat file. The handle end is drawn to a fine point and bent at right angles so that it can engage the cotter pins and the other end is also bent at right angles so that it may be struck with a hammer, the blows of which withdraw the cotter pin.—James Baldwin, New Harmony, Ind.

MODEL T DRIVING SCHOOL

As we reported last month, efforts are afoot (we chose that word carefully) to launch a Model T Driving School as a joint effort between the Club and the Fountainhead Museum. Those working on the project hope to do at least one session yet this summer.

At the right, Board Member Melinda Harris found the important horn control on the Model T which has been donated as the training vehicle.

You are a candidate for training if you can't identify the controls on the floor of the Model T. You are a candidate to become a trainer, if you can identify them and use them smoothly. Hint: The right pedal is the brake, and none is the accelerator...

EDITOR'S LEFT (on) BLINKER

Maybe I'm biased, but I have observed that events that are promoted well in advance in the newsletter, and where event details are told in membership meetings ahead of the event, are better attended. One of the responsibilities of the PPR (primary person responsible) for a club event is to provide publicity. I usually don't need much information - just the facts as to time, place, what to expect, what to bring, etc. and I can usually dig up a photo and put together a promo article.

Our summer season is now in full swing. Please take photos (no excuses now that everyone seems to have a cell phone with a camera), and send me the good ones. If you are the event chair or PPR, please send me an article about the event. I can't make it to every club event, so I need to depend on you for photos and words sometimes.

Please arrive at the lineup area in front of the Carlson Center by 9:00 am on Saturday, July 22nd. Drivers will check in with Wilma or Willy Vinton or the volunteers wearing the yellow vests, to be placed in line by model year.

If you plan to have children under the age of 18 in your vehicle, you will need to complete a Parental Consent form **NO LATER THAN Thursday, 13th** and turn it in to Wilma Vinton. That can be found at <http://fairbankschamber.org/goldendays/>

The following parade rules **MUST** be followed:

- *No objects by be thrown, handed or tossed from the vehicles.*

All entries must be able to maintain their speed and position throughout the parade. This means that we may not have walkers beside our cars. Our vehicle pace is to fast for walkers to keep up.
